OTHER AVAILABLE COLOURS

● RB002VBLK - Black

COMPOSITION

100% Polyester

94% Polyester, 6% Elastane

FILL WEIGHT 80 g/m²

PACKAGING

Individual pack

DESCRIPTION

The vest is made of strong, abrasion resistant material and thanks to the elastane component has good stretch property and comfortable wearing. The adjustable drawstring at the hem allows for a perfect fit. The garment has a high collar with a full YKK zip to ensure excellent wind protection. The vest has two practical side pockets with YKK zips for personal belongings. It is ideal for a wide range of jobs.

SIZES S - XXL
