RB006PBLK

OTHER AVAILABLE COLOURS

● RB006PGRY - Grey

COMPOSITION

92% Nylon / 8% Elastane

WEIGHT 210 g/m²

PACKAGING

Individual pack

DESCRIPTION

The trousers are made of comfortable 4-way stretch fabric that guarantees excellent fit and adaptation to the body's movements. The trousers are equipped with reflective strips in the lower leg area for greater visibility in low-light conditions. The garment has kneepad pockets. In addition, the trousers are provided with several pockets to store personal items and work tools. Careful attention to details such as reinforced seams, elastic waistband, high-quality YKK zips increase wear resistance of the trousers and make them perfect for different work contexts.
